Judge Stephen Rhodes

Dear Judge Rhodes,

I am an 88 year old senior having  
worked for the City of Detroit for over 30 yrs.  
My Pension is less than 800.00 monthly. I paid  
All those years - how can I possible live with  
a cut in my pension? This will certainly be  
another case for food stamps and other Resources  
available to the needy. Please consider our plight  
and save us from this proposed cut -

Yours in Christ  
Mattie Johnson
